# Chancellor's Award of Distinction

The Chancellor's Award of Distinction acknowledges the University of California, Irvine's most outstanding graduating seniors. Awarded by the UC Irvine Alumni Association, these students represent exceptional academic achievement, and a commitment to cutting-edge research, leadership and service to UCI. Selected by a committee of alumni, recipients can be identified by the blue and gold shoulder cord worn with their commencement regalia.

# | Message from the Chancellor

**Dear Class of 2022:**

Congratulations on reaching this very special milestone in your life. Today, as we celebrate the University of California, Irvine's 58th commencement, enjoy the pride, nostalgia, and excitement of the moment. As you participate in these time-honored graduation rites, I encourage you to remember that you did not achieve this success alone or in a vacuum. Please take the time to thank the family, friends, and mentors who have supported and shepherded you through this journey.

All of us are extremely proud of your accomplishments and the contributions you have made to UCI and our community. I am even more excited, though, by what lies ahead for you, as you enter the world enabled, empowered, and inspired to succeed in whatever endeavors you choose to pursue.

Today, as you join the proud alumni of UCI, you become part of a family of graduates who are leaders, innovators, and teachers who make a difference in our global community. Please come back and visit us, update us with news on your careers, and stay in touch through the Alumni Association. Wherever the future leads you, you will always be remembered at UCI.

Fiat Lux,

**Howard Gillman**  
Chancellor

# Message from the Vice Chancellor, Student Affairs

## **Dear Class of 2022 Graduates:**

On behalf of the Division of Student Affairs, I would like to congratulate you and your family on this amazing accomplishment.

You are now a UCI graduate and now join the ranks of close to 200,000 alumni from across the world. You should be proud of all that you have accomplished during your time at UCI, especially during an unprecedented global pandemic. My sincere hope is that you have taken the past years to learn more about yourself, your community, and your academic major. College is truly a transformative time in one's life and I am sure you have taken everything you have learned during your collegiate time to transform not only yourself, but also the world.

As you close this chapter in your life, take some time and thank your family and friends for their support. Your graduation from UCI is a reflection of their love and support for you through this time. I hope that you will remember your time at UCI fondly, and I hope you will tell the story of how your life was changed from being here. You are an Anteater for life and we could not be more proud to have you as one of our proud alumni.

Zot, Zot, Zot!

**Willie L. Banks Jr., Ph.D.**

Vice Chancellor, Student Affairs

# Claire Trevor School of the Arts

## Dear 2022 Claire Trevor School of the Arts grads,

Hearty congratulations on having achieved something you'll treasure into the future: you've become a CTSA alum! You've acquired the world-class skills you'll continue to use and build on throughout your career, while at the same time having persevered through the most trying of times. Your passion and your resilience have been nothing short of inspiring: you have honed your talents, learned new skills, and helped others to achieve their best. You leave UCI as a thoughtful, committed member of a society of artists ready to contribute to the richness of the human experience.

This has been such a dramatic time: dealing with Covid, pushing back against its many restrictions both on and off-campus in order to excel, you've created art of enduring value across its many forms in CTSA, expanding and deepening your own experiential world. And now, as you make the transition into the next chapter of your life, you have become one of tomorrow's leaders in and an advocate for the arts, a powerful voice for the vital role the arts will play in an increasingly complex world. You've had to explore new ways to make your art, but that has only augmented your strengths. And it's only a beginning. Our hope and expectation are that the challenges you've faced here have given you even more of the critical and creative tools you'll need to achieve your highest expectations as you move forward.

Like the entire CTSA faculty and staff, I've been so proud of your many accomplishments with us. We all send our deepest thanks to your family, your friends, and your other mentors for the vital contributions they've made to your success at UCI, and our special thanks to those alumni whose partnerships with CTSA, and with you, have provided support for your work here. We invite you to become one of those whose continuing interest in contributing to the next generation of artists has kept them attached to us after graduation.

In whatever form it may take, we hope that you will continue to be part of our lives and our work in CTSA, that you'll keep in touch with others with whom you've worked and with your department. We're more than eager to see what remarkable things you'll do as you emerge from your CTSA experience into the wider world of the arts.

All the very best wishes for your brilliant future!

**Stephen Barker, Ph.D.**

Dean, Claire Trevor School of the Arts

## About Claire Trevor

While millions knew Claire Trevor (1910-2000) as one of America's most distinguished actors, those closer to her knew her as a person deeply devoted to her family, as well as a passionate advocate for the arts and arts education. The Claire Trevor School of the Arts at the University of California, Irvine is proud to be entrusted with Claire Trevor's legacy and honors her spirit by embracing the values she believed in and practiced throughout her life.

# | School of Biological Sciences

**Dear Class of 2022,**

Congratulations on your Commencement from UC Irvine and the School of Biological Sciences. You completed one of the most rigorous undergraduate programs on the campus, which is difficult enough on its own, but you managed this with the additional challenge of a global pandemic. The hard work and determination you exhibited to get to this moment will serve you well in your future endeavors.

Today, your accomplishments at UCI BioSci are being lauded with celebration of your Commencement. From tomorrow onward, as one of our thousands of alumni, remember what you have learned here about science and technology, and apply it well in your pursuit of shaping a healthier, more prosperous world. You will find that UCI has helped to prepare you for your future, whatever opportunities and challenges it holds.

As you embark on the next phase of your life, I encourage you to reflect proudly on your time here and on the personal lessons of perseverance. UCI BioSci is embedded in your DNA, so I urge you to stay connected with us as your life's journey continues. That way we can continue to support you, celebrate your successes and provide you with the opportunity to inspire the generations of students who will follow in your footsteps through our halls.

Best wishes,

**Frank M. LaFerla, Ph.D.**

# The Paul Merage School of Business

## **Dear Class of 2022,**

On behalf of our faculty and staff, I offer my enthusiastic congratulations on this momentous achievement. You are about to embark on a host of exciting new opportunities after completing a business degree during a pandemic. Together you thrived in the face of many obstacles, and for that you have my admiration and respect.

The class of 2022 represents the future of business on the global stage—and we are proud of playing a role in the development of leaders that are prepared to lead through disruption, drive innovation and promote inclusivity and respect for others. It is our goal to continue to combine the academic strengths, diversity and best traditions of the University of California with the cutting-edge, entrepreneurial spirit of Orange County in the heart of Southern California's Tech Coast.

We thank you for your contributions to the School during your time here. Remember that on commencement day you do not simply receive a diploma and a degree—you gain access to the thriving Merage School alumni network. We hope this is not goodbye and that you will continue to represent the School beyond your time with us and consider returning one day to share your new insights and experiences.

Best Regards,

**Ian O. Williamson, Ph.D.**

# | School of Education

## **To the School of Education Class of 2022,**

It is a privilege to congratulate you on your successful commencement from the School of Education and the University of California, Irvine. By completing a Doctor of Philosophy in Education, Masters of Arts in Teaching, Bachelor of Arts in Education Sciences or CalTeach program you are prepared to make a difference in the lives of others through contributions to formal and informal education.

The concepts and competencies you have mastered in your program will always be fundamental in building and preserving an educated citizenry. Today, you take a giant step toward becoming our society's next generation of thought, industry and community leaders.

The knowledge and skills you have developed will be invaluable in contributing to education through outstanding research, policy, curriculum, pedagogy, and advocacy. I am grateful for your commitment to improving education for all, and look forward to seeing the positive impact you all create in California, the nation, and especially in your respective communities.

In the years ahead, you will be well served to remember the lessons learned in your studies at UCI. You have learned to recognize the role of persistence, resistance and resilience in overcoming challenges in both educational processes and in life. You understand that education is a lifelong journey that does not end upon graduation, but rather must continue to be nourished and cultivated in your daily lives. Great educators are strong learners. I am confident that you will continue to grow, change, and learn to meet the challenges of tomorrow.

Congratulations to you and to the families of all our graduates, and best wishes for great success in your future endeavors.

# The Henry Samueli School of Engineering

## Dear Samueli School Graduates,

First and foremost, congratulations on this important milestone! You have not only made it through an extremely competitive admissions process, but have also met the challenges of our highly rigorous academic program to earn your degree from UCI's Samueli School of Engineering.

Your Anteater engineering class is unique in that you have prevailed over unprecedented difficulties brought on by the pandemic. The completion of your engineering degree is a testament to your resilience, as well as your agility, hard work and fortitude. I have no doubt that your experience at UCI will provide you with the knowledge, skills and leadership that you will need to impact and benefit society in countless ways.

We are very proud of you and have every confidence in your continued success. As you move forward in your career, I encourage you to do the following: maintain our values and dedication to excellence and lifelong learning, commit to truth and fairness, and remember to embrace diversity and individual differences. As the newest graduating class of the Samueli School, I hope you stay connected through our Engineering Alumni Society, as well as the UCI Alumni Association.

Congratulations on your well-deserved achievement. Be courageous, be strong, be awesome.

Zot, Zot, Zot!

# Susan and Henry Samueli College of Health Sciences

**Congratulations, class of 2022!** You are our sixth graduating class of the Susan & Henry Samueli College of Health Sciences! In the wake of an unprecedented pandemic, your experiences have been unconventional. I know, however, that they were also fortifying. As a 2022 graduate, you go forth with this certainty: you can handle the challenges that life presents. You have proven this by remaining steadfast in your dedication to your pursuits.

At this major milestone in your career development, whether in medicine, nursing, pharmacy and pharmaceutical sciences, or population and public health, you are poised to continue to make a difference, as individuals, as members of your disciplines, and as lifelong anteaters.

Life will continue to present you with challenges. But you have proven that you have the talent, competence and temperament not only to survive but to turn the most unexpected and formidable events into opportunities to create the change you wish to see.

The doors are open! You have honed the skills to forge your personal trajectory. As you step out, ask yourself what you want to improve in the world. Is your passion health equity? Developing new ways to prevent disease and support wellness? Fostering emotional support for patients or providers? We know that your choice will continue the legacy of UC Irvine because you will unite with others of diverse backgrounds, perspectives and skills to accomplish ambitious goals.

But please bear this is in mind: what you want to achieve is possible. You graduate with the required education and skills to harness your passion and – with patience, persistence and kindness – you will enjoy many successes. You will also continue to grow and develop. Experience is one of the great advantages of aging.

And so, too, the college is maturing. By Fall, we will open the new Susan & Henry Samueli College of Health Sciences building, the new Sue & Bill Gross School of Nursing and Health Sciences Hall, and the new home for Susan Samueli Integrative Health Institute. By early 2023, our new 9-acre UCI Health medical complex in Irvine will begin to care for patients in the Center for Advanced Care, followed, thereafter, by the Chao Family Comprehensive Cancer Center and Ambulatory Care Center, and in 2025, the in-patient hospital with 24/7 emergency services. In addition, just a few months ago, we launched the Institute for Precision Health, a disruptive new strategy that will change the healthcare landscape and the future of wellness because it is data-based and patient-centered. This approach produced such superior care of COVID patients that UCI Health could support the 100 regional hospitals in Orange County while offering guidance across the nation to achieve the best survival and shortest lengths of stay.

We hope you will watch us grow, visit often, and perhaps even choose to continue your own mission to discover, teach, and heal here at UCI.

Please know that we remain committed to helping you achieve your goals after you graduate. We measure our own success by your accomplishments and satisfaction in service. You will forever be a member of the UCI family. Come back and share your experiences.

All the very best to you in this new and exciting phase of your life journey,

**Steven A. N. Goldstein, M.A., M.D., Ph.D., FAAP**

Vice Chancellor, Health Affairs

# School of Medicine

**Congratulations on your upcoming graduation, Class of 2022!** On behalf of the faculty and staff of the University of California, Irvine School of Medicine, I commend you for achieving this milestone.

As you pause to reflect on all that brought you to this moment, you are no doubt grateful to many -- from family to friends to mentors-- who supported, encouraged and advised you along the way. They are cheering your accomplishments, along with every School of Medicine faculty and staff member who had the privilege of interacting with you during your time here.

Your graduation may mark the end of your time at the School of Medicine, but it begins a lifetime of professional learning. Your training was designed to prepare you for this moment, encouraging curiosity and motivating you to pursue innovative research and to always seek new and better approaches and treatments to improve health—whether the discoveries belong to you or others.

For our MD class, the class of 2022, you are preparing to embark on post-graduate training in 18 medical specialties. Nearly 70 percent of you will enter training programs in California – many will work in underserved areas. It is a privilege to have you join us in the profession of medicine.

For our graduating Master of Science, PhD and Medical Scientist Training Program students, your contributions to medicine and biomedical research are changing the future for people around the world. Your graduate education will serve you well and we look forward to your continued contributions in academia, industry, medicine and health.

For all of our students, UCI School of Medicine is dedicated to advancing the knowledge and art of medicine and biomedical research. Each year, we applaud the achievements of about 100 MD program graduates, roughly 40 PhD, MD/PhD and MS students, and we celebrate as residents, fellows and doctoral candidates complete rigorous programs. As you enter the ranks of your chosen profession, you become the public face of this school. Through your work, people will see the positive impact of our mission: Discover. Teach. Heal.

We extend our best wishes for every success as you continue your pursuit of knowledge. Once again, congratulations to the UCI School of Medicine Class of 2022!

**Michael J. Stamos, M.D.**  
Dean, School of Medicine

# Sue & Bill Gross School of Nursing

**Since the Renaissance, people have participated in ceremonies in which academic degrees are conferred.** This year is no different, except that it is your year, your ceremony, and your degree.

Commencement is when you begin a new life – as a bachelor, master, or doctor – with your fellow graduates. It is when, as a graduate of the UCI Sue & Bill Gross School of Nursing, you join the community of nurses in a new way to do new things with your vocation. A vocation is when you find joy in doing good things for others.

I trust that today you are experiencing this joy, as I am when I think of your achievement. Share it with your friends and family. They, after all, helped you to get here. And take it with you as you care for people in hospitals or homes, as you discover new knowledge or translate it into practice, as you change policy or educate the next generation of nurse leaders. Whatever you find yourself doing as a UCI nurse, you will do it as a member of the world's largest and most trusted profession. That, itself, is a joyous thought.

Take great pride in your accomplishment being celebrated today. This is your ceremony, and it marks not just your having earned the degree being conferred upon you but also your being part of the great big, wonderful community of nurses.

Congratulations!

**Mark Lazenby, R.N., Ph.D., FAAN**  
Founding Dean, Sue & Bill Gross School of Nursing

# School of Pharmacy and Pharmaceutical Sciences

**Congratulations to the UCI Pharmaceutical Sciences Class of 2022!** Today we celebrate your hard work, dedication, and resiliency you showed during your academic career at UCI. This achievement marks the beginning of a new and exciting chapter in your life. You have chosen to pursue a career in the dynamic and rapidly changing field of science and medicine. Every day, pharmaceutical scientists are improving our society's health and wellbeing in health care, academia, research, and government.

Our program has equipped you with the scientific background to succeed in any biomedical professional school or career, but more importantly, we have trained you to be transformative drivers of change. As pharmaceutical scientists, you will help advance therapeutics, medicine, apply innovation, and add healthy years to human life. As many of you head off to pharmacy school, medical school, other graduate programs, or opportunities in the workforce, you will undoubtedly play an integral role in shaping a brighter, healthier future.

Today is the beginning of an exciting opportunity to make your mark in the world. I have no doubt you will succeed on any path you choose, and we are privileged to be a part of your journey. You will always be a part of the Anteater community, and now we welcome you into the Anteaters in Pharmacy alumni family, which has much to offer. We look forward to celebrating your many achievements, so please keep in touch.

On behalf of the School of Pharmacy & Pharmaceutical Sciences, congratulations Anteaters! We are so proud of you.

**Jan Hirsch, Ph.D.**  
Dean, School of Pharmacy and Pharmaceutical Sciences

# Program in Public Health

**Congratulations to the Class of 2022.** What a wonderful day it is for each of you and an honor for me to be here on this special occasion. Today, we celebrate your tremendous academic accomplishments and resilience in the face of such unprecedented times. I commend you for your hard work and dedication, as well as your ability to not just survive, but thrive.

Not only did you finish your degrees during a global pandemic, but also amid a nationwide social justice movement for racial and gender equity. What a privilege it has been to witness the Class of 2022 and members of the campus community come together in inspiring ways to address the many public health challenges we have faced this year.

Indeed, your commitment to public health is now more important than ever, and I thank you for choosing this field. You are the future of the field. You are the next generation of public health practitioners, leaders, and advocates that will solve the problems that generations before could not. You will lead with compassion, drive, and the desire to make a difference in the lives of those around you, which all lie at the heart of what we do in public health. You will help usher in a future that is more sustainable, equitable, and just.

I will not tell you the road will be easy – it seldom is. For every achievement, there are stumbles, fumbles, and falls. Embrace mistakes. They serve a purpose: to help you learn. The ups and downs, the laughing and crying, the pit in your stomach, and the excitement in your bones are all part of the road to success.

Maybe your research does not work out as intended or you do not get every article published. That is okay! You work up to those moments and celebrate them as they come, taking lessons learned along the way to forge ahead. You will provide to the world what we here at UCI already know – that you are the brightness in our future. You are the answer to what this country, and this world need.

We will always take pride in your achievements, both now and in the future. Congratulations, graduates of the Class of 2022!

# I School of Humanities

**On this happy occasion of your commencement,** you are each concluding your study at UC Irvine and embarking on a new life as the proud holder of a University of California degree in a humanities field.

Let me be the first to congratulate you. You are a select group who worked tirelessly to be admitted to UCI, and to excel in your majors. You put in hard nights of reading and writing papers and studying for exams and meeting your requirements one by one. Your goal was not just to get a good grade on one assignment, or completing a course, or even meeting all the requirements of your major. It was always something that lies beyond the boundaries of the campus and its program: opening up the opportunities in your life that your UCI degree makes possible, and that at this moment of commencement you can't even yet fully foresee. These include the possibility to go on to more advanced study in graduate or professional school; to make your mark in government, media, or business; or to lead and serve in your community, at home or perhaps elsewhere in the world.

The humanities focus on the histories and cultures of the world, the images and stories we use to represent the human experience, and the theories and concepts that we use to make sense of our world. Human meaning-making is an ongoing and ever-evolving process, and the skills you have gained in understanding and contributing to it never go out of date or lose their relevance. Our world is changing at an extraordinary pace. We need humanities-trained leaders and thinkers like you to help us to make sense of it all, make conscious and ethical choices, and imagine new ways of living and working in a radically changed environment.

You will bring the skills you have learned here—to listen and read closely, to think critically and analytically, to interpret texts and images, and to write with clarity and power—to all the work you have ahead of you. We have prepared you not just for a job, but for a career of your own making, which may have many new turns and changes along the way.

But through the lenses of the humanities, we have also prepared you to appreciate better the beauty, complexity, and richness of the world, to experience it with depth and knowledge. That is not just an enhancement to your career or your earning power; it is the basis of a richer, more authentic, and more meaningful life.

I wish you every success in your future, and the deepest appreciation for what you have given us by your presence in the School of Humanities during your studies.

Congratulations and enjoy your *commencement*!

# Donald Bren School of Information and Computer Sciences

**The world runs on technology:** from artificial intelligence to big data, from digital media and learning to digital health, from cybersecurity to human-machine interaction. These technologies represent only a few of the cutting-edge areas that faculty, students and alumni from the Donald Bren School of Information and Computer Sciences (ICS) have been advancing, making the world a better, safer, accessible, and more inclusive place through the exploration of emerging information technologies, innovative and broad computing curricula, and interdisciplinary collaborations that address key societal needs.

As students of ICS, one of the first computing-focused schools in the nation and the only one on the West Coast, you have helped it grow into one of the largest, most enriching, and most diverse computing programs in the country. You have shown incredible creativity and entrepreneurial spirit during your time at UC Irvine, and you are now prepared to lead the way in creating a bright future for society.

As alumni of ICS, you will have many good reasons and excellent opportunities to remain connected with our School. Whether you are continuing your education or joining the workforce, remember that you are now part of a growing ICS alumni network with over 12,000 members who want to see you succeed. Please stay in touch so that we can celebrate your successes and help you connect with other accomplished ICS alums.

Congratulations to the Class of 2022! The ICS faculty and staff take great pride in your accomplishments and look forward to watching you continue to make a positive difference in the world.

# | School of Law

## **Dear Graduates and Guests,**

On behalf of our faculty, administrators, staff and the entire UCI Law community, I congratulate the Class of 2022, and thank them for enriching the law school, as well as the University of California, Irvine, by their hard work and achievement in a difficult time to attend law school.

Over the past three years, the Class of 2022 has learned indispensable skills, represented clients, and performed prodigious amounts of pro bono work and community service. In doing so, they have made a tangible difference in the lives of so many. They have proven themselves leaders in the classroom and the community. UCI Law will always be a special place due in large part to the efforts of this outstanding class. They helped build organizations, invite speakers and plan events, represented the school in national competitions, written scholarly papers, and welcomed the classes of students who came after them.

For the past three years, they have carried the mantle of representing UCI Law with aplomb. In the courtroom, classroom and community, they have displayed not only legal prowess, but civility, empathy and respect for others. They have shaped this institution, and further established our culture as welcoming, supportive and collegial.

Soon, the Class of 2022 will begin utilizing the skills acquired here, advocating fearlessly with uncommon drive and ambition. Forever they will remember their days here - preparing for an argument in moot court, discussing a lesson with friends and faculty, or taking a break in the courtyard between classes.

I want to thank the Class of 2022 for being an important part of UCI Law and for all they have done, and all they will continue to do. I wish each of them all the best as they embark on a fulfilling, rewarding career. They will always be members of our unique and special UCI Law family. We look forward to helping the class stay connected through alumni events at the Law School and the places where our alumni practice.

Warmly,

**Bryant Garth**

Students wearing gold cords have earned Pro Bono Honors by completing at least 120 hours of pro bono work.

# | School of Physical Sciences

**Congratulations on completing your degree** in the Physical Sciences!

This may feel like the end, but, really, it's just the beginning — a bright beginning for the next phase of your life, one made all the more brilliant by your years of preparation in the halls of our School. Whether you plan to pursue graduate or professional studies, or you plan to start your career right away, UCI Physical Sciences offers a doorway to success unlike any other.

Over 40% of you graduates conducted undergraduate research, and many of you successfully applied to graduate and professional programs. That, and I applaud the many of you who took the initiative to participate in our mentor program — an experience that will continue working its health into your lives long after you leave UCI. We invite you to return as mentors to coach the next generations of students, and share with them the experiences of what will no doubt be shimmering careers.

As a Physical Sciences alum, you may dedicate yourself to the most abstract mathematical proof, or to the most tangible attempt to alleviate human suffering. Some of you may spend a large part of your life trying to understand a single particle, others may want to grasp the big-picture of the whole Universe or how the Earth's climate will change over the next century. There is great value in each of these pursuits, as well as the whole spectrum of careers between these limits. The faculty and staff wish you the best of luck as you continue to pursue your passion and make a difference in the world.

Congratulations again on completing such a demanding degree. The world needs quality mathematicians and scientists, so be sure to contribute, expand and share your vast knowledge and experience as much as you can.

Keep active!

Bring enthusiasm to all your endeavors!

Keep in touch

# | School of Social Ecology

## **Dear Class of 2022:**

Congratulations on completing your degree from the School of Social Ecology!

We are proud of your accomplishments, especially during this historic time. You adapted to learning during the pandemic and successfully finished, all while also completing your many hours of field study. We commend you on your perseverance.

As we celebrate your achievements, we wish you success along the next path of your journey. You earned your degree from our school, a leader in interdisciplinary research, team science, and community-embedded scholarship. You have studied and researched alongside faculty members and fellow students who share a commitment to understanding human behavior and seek to make the world a better place. Our research, courses and field study opportunities are oriented at solving some of the most crucial social and environmental challenges of our time, including issues involving the coronavirus pandemic, mass incarceration, environmental sustainability, homelessness, poverty and mental health. With this stage of your education now completed, we encourage you to take what you have learned to become part of the solution.

Our school also emphasizes the importance of equity and justice. We have prepared you to think about how you can help advance a more equitable society. We will look to you with great hope as you apply that greater sense of purpose in your next endeavors.

No matter where you are headed next or what you will do, please know that we take pride in you and your accomplishments. And, as alumni of Social Ecology, we hope you will please remember to stay connected so we can continue to cheer on your successes.

Congratulations on your graduation and go out and make a difference!

Best wishes,

# | School of Social Sciences

**Congratulations, UCI social sciences graduates!** I'm so proud to welcome you as our newest members of the Social Sciences Alumni Network. With your graduation today, you are joining an elite group of more than 58,000 changemakers who can be found everywhere from the halls of justice in D.C. to capitals around the world engaged in international relations work. Our alumni are making a difference through entrepreneurial endeavors from Northgate to Northern Africa, in courtrooms across the nation, boardrooms in some of the world's top companies, and classrooms around the globe training our next generation of leaders.

I know the last two years are not what any of us would have envisioned your college experience to be. But then again, for many of us, the road has never been straightforward, easy or clear. That's been the case for more than half of today's graduating class, who, with the turn of a tassel, represent the first person in their families to graduate from college.

No matter your story, you've all shown the true resiliency of the soci Anteater spirit. And as you leave UCI today with your hard-earned degree, I challenge each of you to continue pursuing a future that makes the world a better place than you've found it. Be bold, always break the mold, and be boundaryless in your pursuit.

Congratulations, social sciences graduates of the class of 2022.

Zot, zot, zot!

**Commence. Begin. Launch. Arise. Come into being.**

June's Commencement ceremonies at UCI represent the culmination of years of hard work, dedication, and determination. They also represent the beginning of the next phase of your lives.

It is my honor and pleasure to congratulate you for earning degrees during the 2021-22 academic year, as well as those who are here to celebrate with you. No one can complete this journey without a great support system, especially during a year as difficult as this one.

Commencement is a time to reflect, but it is also an opportunity to publicly recognize the transition from a student to a leader and innovator in today's ever-changing world. The world is better for the critical thinking skills and knowledge you will put to work in a positive and impactful way. You have earned the highest degree in your discipline, and you are the future we await.

As of this moment you are now part of a proud family of UCI alumni, and I hope you stay in touch and keep us informed of your accomplishments. Celebrate today and know that we look forward to celebrating your accomplishments for years to come.

NATIONAL ANTHEM	<b>Uniting Voices</b> Student a capella group
WELCOME AND STUDENT SPEAKER INTRODUCTION	<b>Gillian R. Hayes, Ph.D.</b> Vice Provost, Graduate Education Dean, Graduate Division
STUDENT SPEAKER	<b>Dandan Yang</b> Doctoral Candidate School of Education
PRESENTATION OF GRADUATE DEGREE CANDIDATES	<b>Gillian R. Hayes, Ph.D.</b> Vice Provost, Graduate Education Dean, Graduate Division
CONCLUDING REMARKS	<b>Gillian R. Hayes, Ph.D.</b> Vice Provost, Graduate Education Dean, Graduate Division

### RECESSIONAL

## Platform Party

<b>Gillian R. Hayes, Ph.D.</b> Vice Provost, Graduate Education Dean, Graduate Division	<b>Magnus Egerstedt, Ph.D.</b> The Stacey Nicholas Dean, Samueli School of Engineering
<b>Steve Goldstein, M.D.</b> Vice Chancellor, Health Affairs	<b>James Bullock, Ph.D.</b> Dean, School of Physical Sciences
<b>Brian T. Hervey, CGPP, CFRE</b> Vice Chancellor, University Advancement & Alumni Relations	<b>Bernadette Boden-Albala, Ph.D., M.P.H.</b> Founding Dean, Program in Public Health
<b>Stephen Barker, Ph.D.</b> Dean, Claire Trevor School of the Arts	<b>Jon B. Gould, Ph.D.</b> Dean, School of Social Ecology
<b>Frank M. LaFerla, Ph.D.</b> Dean, School of Biological Sciences	<b>William Maurer, Ph.D.</b> Dean, School of Social Sciences
<b>Young-Suk Kim, Ed.D.</b> Senior Associate Dean, School of Education	<b>Roxane Cohen-Silver</b> Associate Dean, Graduate Division
<b>Mark Lazenby, R.N., Ph.D., FAAN</b> Founding Dean, Sue & Bill Gross School of Nursing	<b>Dandan Yang</b> Student Speaker
<b>Jan Hirsch, Ph.D.</b> Dean, School of Pharmacy & Pharmaceutical Sciences	<b>Christopher Lay, '11</b> Alumni Marshal
<b>Tyrus Miller, Ph.D.</b> Dean, School of Humanities	<b>Professor Rodrigo Lazo</b> University Marshal
<b>Marios Papaefthymiou, Ph.D.</b> Dean, Donald Bren School of Information and Computer Sciences	<b>Professor Mike Mulligan</b> Platform Party Marshal

# I UCI Alumni Association

## **To the Class of 2022:**

Congratulations — you made it! Too often, we rush through our accomplishments, eager to leap forward and find out what's next. But this is a powerful moment, one that you will hold onto forever. So, take a deep breath, look around you and capture a mental picture of this day. Years from now, in the quiet moments between each exciting new milestone you will reach, you can recall these memories. This feeling of pride, and the determination and work ethic it took to get here, are things that can never be taken away.

I can still picture my own graduation day, as the first in my family to earn a college degree. I understood what that day meant for not only my future, but for the future of my (eventual) children. Whatever your journey was to this point, there is no doubt you faced challenges and sacrifices along the way. You will never regret taking the time to pause and relish in all that you have overcome and achieved. Remember to do this throughout life, as you have many more powerful moments to come, and you will never regret taking the time to breathe it all in, relish it.

On this day celebrating your hard-earned accomplishment, also take a moment to express gratitude to all who have journeyed by your side while providing support and guidance — your family, friends, faculty and your Anteater community. With each step forward, know that your fellow Anteaters go with you and that you will forever be a part of the bold and pioneering UCI alumni family!

As an alum you will always represent UCI, and I hope you do so with pride. I encourage you to stay connected, remain involved and strengthen your relationship with the university and Anteaters of all graduating classes past and future. Our online mentoring platform, The Anteater Network ([antnet.uci.edu](http://antnet.uci.edu)), is a wonderful way to do just that!

The UCI Alumni network has more than 227,000 members and accomplished individuals who are invested in your success and can help you increase your connection to our alma mater. As an active member of the Alumni Association, you will help continue a tradition that makes UCI and the alumni network itself stronger. Find out how you can leverage the benefits and services of being a member, including The Anteater Network, access to online research databases and UC libraries across the system, career services and networking events for young alumni.

Fifty-seven years ago, UCI was established with a vision to become a driving force for discovery and innovation serving our local, national and global communities. You leave today helping to realize that vision.

I invite you to stay connected to your Anteater family no matter where you go in the world. Engage with our UCI Alumni at regional events, participate in our online community and be part of the more than 38 chapters and networks across the world.

As you take those next steps forward, know that there are so many individuals who are in your corner cheering you on — your family, your friends, your professors, and your fellow alumni. You are now a college graduate and we are so proud of you, Anteater!

Zotfully yours,

**Melissa Beck, MBA '12**

President, UCI Alumni Association  
Proud Life Member

# | The UCI Mace

The Mace leads the Commencement processional and is carried by a member of the UCI Alumni Association Board of Directors.

The names of each UCI Chancellor are engraved on the top

Carved from California oak, the Mace is designed to resemble the nose of an anteater, UCI's mascot.

The UCI Alumni Association presented the UCI Mace to the campus on May 12, 2000.
